Name: Batu

Last Name: Şengezer

Student No: REDACTED FOR PRIVACY

National ID No: REDACTED FOR PRIVACY

Degree: Bachelor of Science

Program: Electrical and Electronics Engineering

Faculty/School: Faculty of Engineering

Date of Issue: 31 August 2026

Date of Entry: 16 August 2017

Type of Admission: Central Placement

Cumulative GPA: N/A

All-Inclusive GPA: N/A

Status: Graduate

Graduation Date: 11 June 2021

Graduation CGPA: 2.98

2017-2018 Fall

Course Code	Course Name	Repeating	Grade	Credits	ECTS Credits	Grade Points
CS 101	Algorithms and Programming I		B-	4	6.5	10.8
ENG 101	English and Composition I		B+	3	5	9.9
GE 100	Orientation		A	1	2	4.0
GE 250	Collegiate Activities Program I		S	0	1	0.0
MATH 101	Calculus I		B-	4	7	10.8
PHYS 101	General Physics I		B+	4	6.5	13.2
TURK 101	Turkish I		A	2	3.5	8.0

CGPA		2.98	Previous Totals		116	348.0
Academic Standing		SATISFACTORY	Grand Totals		128	381.0

CGPA of **2.98** out of 4.00 corresponds to an average grade of **85** out of 100 full points in a grading system where the passing grade is 70/100.

Bilkent University

Office of the Registrar, TR-06800 Ankara, TURKEY

This official transcript is valid only if it bears the seal of the University and the signature of the Registrar.

The Language of Instruction is English at Bilkent University

LETTER GRADES

The University grading system uses letter grades with pluses and minuses. Letter grades and their grade point equivalents are:

A+	4.00	B+	3.30	C+	2.30	D+	1.30	F	0.00
A	4.00	B	3.00	C	2.00	D	1.00	FX	0.00
A-	3.70	B-	2.70	C-	1.70			FZ	0.00

The letter grades A+ and FX were instituted beginning with the 2010-2011 academic year. The letter grade FZ was instituted beginning with the 2013-2014 academic year.

Letter grades without grade point equivalents:

I (Incomplete): Temporary grade signifying incomplete work; must be replaced with another grade within 14 days.

W (Withdraw): Student has withdrawn from the course before the end of the semester.

S (Satisfactory) and **U** (Unsatisfactory): Used for non-credit courses.

P (In Progress): Used for multi-semester courses.

T (Transfer): Student is held exempt, having taken that course or an equivalent at another university or another program.

In undergraduate programs, a grade of C or higher (or S for non-credit courses) is a passing grade for the course. Letter grades F, FX, FZ, and U are all failing grades. Grades C-, D+, and D are considered failing grades when the student's Cumulative Grade Point Average (CGPA) is less than 2.00 and conditionally passing grades when the CGPA is 2.00 or higher. For courses ENG 101 and ELS 104, grades C-, D+, and D are considered failing grades regardless of the CGPA.

In graduate programs, in addition to grade S, a grade of C or higher is a passing grade in master's programs and a grade of B or higher is a passing grade in PhD programs. Letter grades lower than C and grade U are failing grades in master's programs and grades lower than B and grade U are failing grades in PhD programs.

Students with extraordinary performance may receive an A+ grade. The number of A+ grades that may be given in a single course is limited, based on class size.

Students who have not met the minimum performance and/or attendance requirements to qualify to take the final exam receive an FZ grade before the final exams begin. Failing students who have not shown up at the final exam receive an FX grade instead of an F.

GRADE POINT AVERAGE (GPA) and CUMULATIVE GRADE POINT AVERAGE (CGPA)

For each course, the grade point equivalent of the letter grade received by the student is multiplied by the credit units for the course; the sum of these products is then divided by the total credit units taken in that semester to yield the Grade Point Average (GPA) for that semester. The Cumulative Grade Point Average (CGPA) is calculated by multiplying the grade point equivalent of the letter grade by the credit units for each course and then dividing the total sum by the total credit units taken in the program.

ACADEMIC STANDING (applicable to undergraduate students only)

SATISFACTORY

Students with a CGPA of 2.00 or higher are considered to have "Satisfactory" academic standing.

PROBATION

Students having a CGPA of 1.80 to 1.99 are on academic "Probation." Students on probation are expected to repeat some of their previous courses with grades lower than C. Students on probation may enroll in a limited number of new courses.

UNSATISFACTORY

Students having a CGPA below 1.80 have "Unsatisfactory" academic standing. These students are required to repeat some of their previous courses with grades lower than C. Students with "Unsatisfactory" academic standing may not enroll in any new courses.

HONOR and HIGH HONOR STUDENTS

Students achieving distinction by obtaining a semester GPA of 3.00 to 3.49 while carrying at least a minimum course load and having a CGPA of 2.00 or higher are designated "Honor" students on the transcript for that semester. Those achieving a GPA of 3.50 or above, under the same conditions, are designated "High Honor" students.

REPEATING A COURSE

When a course is repeated, the new letter grade replaces the previous letter grade in the CGPA calculation; both grades appear on the transcript under their respective semesters. An elective course may be taken to replace a previously taken elective course from the same elective group. A required course that is no longer offered may be replaced with an equivalent course that is approved by the Faculty or School. In these cases, only the replacing course is included in the CGPA calculation.

Students with "Satisfactory" academic standing may elect to repeat any previously taken course in which they received a grade of B- or lower within two semesters.

GRADUATION REQUIREMENTS

In undergraduate programs, a CGPA of 2.00 or higher and a passing grade for all curriculum courses and requirements is necessary to qualify for graduation. In graduate programs, a curriculum based CGPA (excluding courses that are outside the curriculum) of 3.00 or higher and a passing grade for all curriculum courses and requirements is necessary to qualify for graduation.
